NOTES

From the President

A few of our members went to Kerbeck's to see the new C8. The long-awaited generation of Corvettes with mid-engine is now a reality. Kerbeck is taking orders I understand!

The West Virginia trip was awesome with 11 cars making the trip. Bill did an excellent job as usual! Route 219 just outside of Lewisburg had some incredibly challenging roads with switchbacks, banked hairpin turns and steep inclines. What an awesome time! I am sure that people will be talking about this one for a long time.

During a stop at a state park, we met people on motorcycles, one of whom was the mayor of a small town out for a run. On our way to Maryland, we stopped to have lunch in Elkins W.V. As we were eating, a gentleman walked over, said he saw our Corvettes and wanted to welcome us to his town. And it was indeed his town, as it turned out, he was the mayor of Elkins!

I found W.V. to be very warm and welcoming, I am sure they have not seen the last of us!

Yours in Corvettes,
Howard Fink

NOTES

From the Editor

Greetings, and welcome to the August, 2019 issue of Corvette Expressions.

July was a very busy month for activities. The fun began on July 12 with the first of our summer Jersey Freeze events. The second visit was on Thursday, July 25.

Our activities director, Bill Nagle, once again led a club trip, this time to beautiful West Virginia. Eleven cars left on July 19, and members enjoyed a scenic train ride, and drove on some really cool mountain roads. A big thanks to Bill and Donna for all their hard work in making this trip possible.

Finally, club members were once again given the opportunity to display their vettes at Wall Stadium for Champions' Day. Thanks to Doug and Cynthia Alpaugh for arranging this fun day!

The next meeting will be on Wednesday, August 7. See you then.
