# NOTES

## *From the President*

Welcome to August! Our last outdoor meeting was such a success, I have decided to do it again! With indoor limits still set at 25% of a room's capacity we would have to turn people away. Having the meeting outside allows us to socially distance and still let us socialize.

We had a number of events last month, including our trip to Saranac Lake, and ice cream on 9 (our new go to spot!) And Dave's fun run the week before. If we use our common sense and precautions, we can safely enjoy ourselves and each other's company!

Our meeting is scheduled for next Wednesday, August 5th. We will start the meeting promptly at 7pm at Battle View Park (weather permitting.) Please look for an updated email as to go or no-go, along with directions and instructions.

**Everyone who would like to socialize before the meeting should get there by 6:00. Joanna and I will be grilling hamburgers and fixings on site, so please come early.**

Please bring drinks, folding chairs, and bug spray if you choose. Please remember to distance and wear masks!

Howard Fink

## From the Editor

Greetings, and welcome to the August, 2020 issue of Corvette Express.

Dave Schneiderman kicked off the fun this month with a cruise to *Captain Paul's Firehouse Dogs*. A tasty time was had by all! Thanks, Dave for the pictures!

Next, club members took a long anticipated cruise to beautiful Saranac Lake in New York State the week-end of July 17 - 21. Luckily, the weather cooperated, and they were able to enjoy outdoor dining and activities. A big thanks to Bill and Donna Nagle for running this lovely trip! Also, thank-you to Bill Z., Howard F. and Donna N. for all the great picture contributions.

Friday night, July 24 proved to be a "sweet" evening as club members gathered at Ice Cream on 9, and enjoyed some great treats.

The activities committee met the beginning of July and put together a list of fun activities. They are listed on the next page of this newsletter and also on the Corvette Express website.

Stay well, and I hope to see you all soon!

# Saranac Lake, July 17 - 21

On July 17, after almost five months of staying at home, club members took a much needed trip to beautiful Saranac Lake. Although indoor dining establishments were closed due to Covid -19, the ideal weather conditions allowed for fun BBQ's and eating outdoors.

The ride to White Face Mountain.

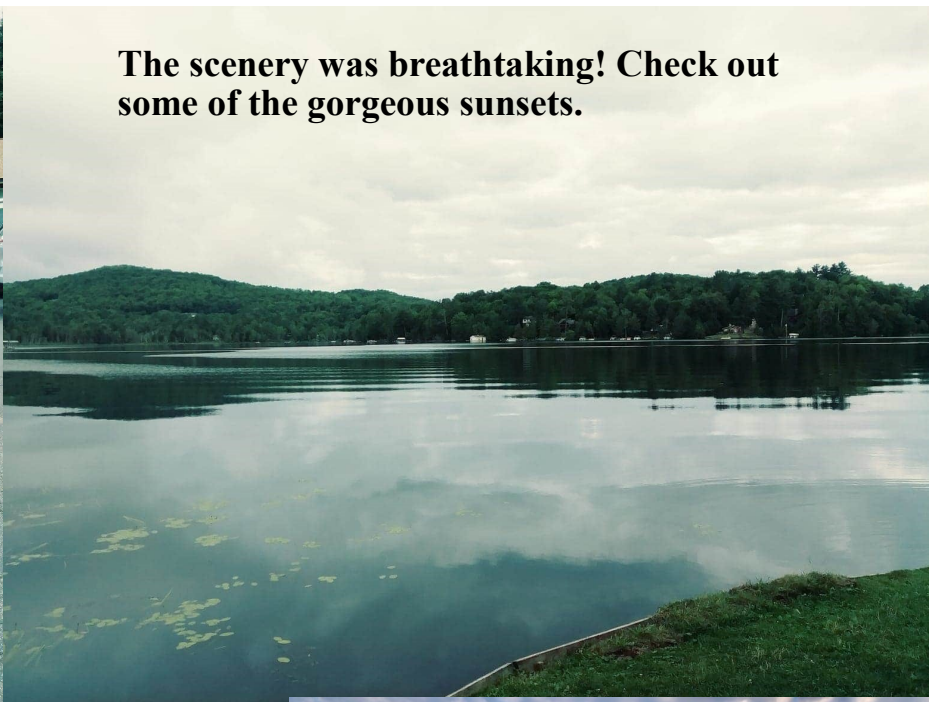

**Most of the group relaxing in the shade after one of the cruises. They had ice cream for lunch on two days!! No heat spell up there; it was delightful.**
