NOTES

From the President

Happy Holidays!

Welcome to December and the end of another great year for Corvette Express. The club has consistently grown, not only in membership, but in the quality of events, cars, participation, etc.

I would like to thank all those involved in doing what you do to make Corvette Express a premier car club. The history, respect, and fantastic reputation this club has is second to none. Again, it's all about the members.

This month's meeting will confirm any change of executive board or committee chair members. I believe most, if not all positions will be moving forward into 2018.

Please continue to check sign up sheets and our website for information regarding upcoming events or changes. Dues collection will resume and T-shirt, jacket, and hat orders are always being taken.

The December meeting is Wednesday the 6th. Hope to see you there.

Yours in Corvettes,
Rob Lombardi

NOTES

From the Editor

Greetings, and welcome to the December, 2017 issue of Corvette Expressions!

The holidays are here, and winter is right around the corner. Just a reminder that if you happen to see this newsletter prior to the December 6 meeting, maybe you will consider bringing a new, unwrapped toy to the meeting to donate to Toys for Tots. Bob Pinto will be on hand to pick-up all the toys.

A big thanks to Bill Nagle for organizing and leading club members on a lovely November trip to the Shenandoah Valley in Virginia. Please be sure to check out the awesome pictures in this newsletter, most of which were taken by Bill Zide. Thank-you to Bill and anyone else who contributed pictures.

Mark your calendars for Saturday, **January 27**, as this is the date for the annual holiday party, which will once again be held at Yesterday's restaurant in Hazlet. The cost will be \$35.00 per person, 7:00pm to 11:00pm, and there will be a cash bar. Money for the party will be accepted at both the December and January meetings.

Wishing all of Corvette Express a wonderful, happy and healthy holiday season!

Lisa Force
