# NOTES

*From the President*

Well, things in the North East seem to be improving, fingers crossed! Let us all hope so. I know we are all ready for some good times! The Saranac Lake trip is still a go!

George has rescheduled the club picnic for September. The activities committee will meet again soon; the committee had planned on meeting after the meeting on Wednesday the first, but with the weather in doubt, we may have to postpone the committee meeting to another time and the club meeting until next week. Please keep checking your email for updates.

Let me express my most sincere condolences for everyone who has suffered a loss recently.

Stay healthy,  
Howard

# NOTES

*From the Editor*

Greetings, and welcome to the July, 2020 edition of Corvette Expressions.

Needless to say, the first six months of 2020 have been extremely difficult, and I am hopeful that the rest of the year will be looking up.

In this issue, I have listed links to local, upcoming Jersey Shore car shows, cruise nights, and morning cars and coffee events. I have also included a page listing additional events for the month of July. Should you choose to attend an event, please make sure you call the listed phone number to ensure it is still taking place, as many events have been canceled, and sometimes the coordinators do not update their websites.

Hope to see you all soon.
