# NOTES

*From the President*

The one thing I dread about being president of our club is having to inform our group about losing a member of our club. This month was made even more painful because of the loss of two members.

Greg Heh was great guy. I always looked forward to talking with him and Carol whether before or after a meeting, on one of our cruises or events, or just socially. I will miss him. I previously posted Greg's obituary that paid a wonderful tribute to him.

I did not know Charlie Shakoor well, but the way everyone described him, I am sure we would have become good friends due to his personality and sense of humor. I regret not knowing him well.

Please keep Charlie and Greg in your thoughts. Please also reach out to Carol and Julie to lend support!

Howard

# NOTES

*From the Editor*

Greetings, and welcome to the June, 2020 edition of Corvette Expressions.

It was wonderful seeing so many members on May 5 at Centra State Hospital. A huge thanks to our president, Howard Fink, for organizing this wonderful event for our heroic healthcare workers! Thanks to the enormous generosity of our club members, a large amount of money was raised to buy gift certificates for area hospitals. GO TEAM CORVETTE EXPRESS!!

On May 16, club members took advantage of a beautiful day and cruised to Sandy Hook, and on May 31, another trip was taken to Ringwood Gardens. As restrictions around the state start to ease up, there will be many more cruises to come.

Finally, as Howard sadly shared in his President's Message, we lost two very special members of our Corvette Express family this month. They will be greatly missed, but never forgotten. ❤️

## May 5, 2020

Tuesday, May 5 was a special day for a variety of reasons. It was a day out in their vettes for many people who had been living in social isolation for two months. It was an opportunity to see fellow club members, albeit just the top halves of their faces. It was also a chance to take a caravan of really cool cars on a short, "mini cruise" through Freehold and Manalapan. But *most of all*, May 5 was a day when Corvette Express members came together and thanked our wonderful, health care workers for all they had been doing to battle the Covid 19 pandemic. The club raised over \$1300 for pizza gift certificates to be distributed among area hospitals. Thank-you to all the members who donated!
