NOTES

From the President

I would like to thank Bill Nagel for putting together the Island Hopping cruise on May 8th; what a fun day! I would also like to sincerely thank Lisa for arranging the restaurant that day. It was awesome!

With Memorial Day now under our belt, it's time to welcome summer. To that end our June 2nd meeting will be held at Monmouth Battle View park. The weather promises to be awesome! Please bring a bagged dinner if you like, and some folding chairs and bug spray (just in case.) Enter the park from business Rt. 33, go to the top of the hill and make your 1st left, and bear left again in the parking lot. We will be set-up at the top of the hill.

Joanna and I will be there by 5pm. Come early to socialize and eat if you like. The meeting will start at 7pm, as the park closes at 8pm.

Best Regards,
Howard

NOTES

From the Editor

Greetings, and welcome to the June, 2021 issue of Corvette Expressions.

What a great month May was! Not only was the weather fabulous, but we were able to partake in some awesome club activities!

Dave S. started off the festivities by leading the second Corvette Express *Hot Dog Run*. Club members had the opportunity to sample delicious "dogs" from several different NJ restaurants and then decide who had the best! Thank-you Lynn S. for the great pictures!

Bill N. continued the fun on May 8 when he let an *Island-Hopping* cruise from Ocean City to North Wildwood. This is a beautiful, scenic route, going over several bridges and close to the shoreline. After entering into North Wildwood, members proceeded to Cape May and had lunch at the Harbor View Restaurant.

Finally, what would be an official "return to normalcy" without a car show? St. John Vianney High School in Holmdel hosted a terrific fund raiser on May 15 with over 150 cars on display. (Of course this included some fabulous corvettes from our club!) We even had a big winner. See page 12 for details.

Don't forget to check the next page of this newsletter for some great activities coming up in June.
