NOTES

From the President

Hello Corvette Express members.

Happy St. Patrick's Day and hello Spring.

We've made it through another winter and I hope you're as excited as I to get the Corvette out and start cruising. Those of you who winterize your car, now is the time to shake it down and perform any needed maintenance.

Our annual Bar-A event is approaching quickly so we'll need to make sure everything is in place for another successful Corvette gathering. As usual, our activities calendar is filling up quickly, so please check the event and sign up sheets at the meeting. Contact the event coordinator if you're not able to attend the meeting but would like to join the scheduled event.

To continue our growth trend, these are great opportunities to invite a fellow corvette owner to an event as well.

For those of you who still need to renew your dues please see Bill Zide at the meeting or mail to our P.O. Box.

This month's meeting is Wed. the 7th.
See you then,

Yours in Corvettes,
Rob Lombardi

NOTES

From the Editor

Greetings, and welcome to the March, 2018 issue of Corvette Expressions.

February is often a cold, dreary month, but there were two fun activities club members enjoyed that perhaps, warmed things up a bit:

For starters, how about some indoor, go-cart racing? On February 11, Frank and Cathy Jones organized a trip to Speed Raceway in Cinnaminson. Participants competed in two races, and afterwards enjoyed lunch at the Sweet Water Bar and Grill.

The following Sunday, members indulged in a lavish brunch at Rooney's in Long Branch. There was something for everyone, and I can say that, speaking for myself, I felt like I ate enough food to sustain me for at least a week! We were lucky to have a beautiful, sunny day which allowed for pictures to be taken on the promenade, followed by a walk along the ocean.

Just a heads up that starting with the April newsletter, I will once again be including information about upcoming N.J. car shows and cruise nights.

See you at the next meeting.

Indoor Go-Carts—February 11

Go Speed Racer go! And that's what club members did when they tried their hand at indoor go-cart racing in Cinnaminson on February 11. Some folks did a lot better than others, but everyone had fun!

Corvette Express Members Celebrate Two Milestones in a Very Special Way!

**Congratulations to Bill and Carol Zide who just became the proud honors of a beautiful 2018 Corvette!
To follow, is Bill's commentary about their new car.....**

Some of you may recall from last month's Corvette Express Newsletter that Carol and I celebrated our 50th anniversary in Hawaii at the end of January. It so happens that 2018, in addition to being our 50th anniversary, also happens to be special for the Corvette. It's the 65th anniversary of America's longest running production sports car – that's right, the Corvette. We decided to celebrate the two anniversaries with the purchase of a 2018 Corvette roadster that mimics the colors of the original 1953 Corvette. Technology and design have advanced beyond measure in those 65 years. The colors of the original '53 Vette; white exterior, red interior and black soft top are a testament to that first year of production, which, similar to the original Ford Model T, could only be ordered in that one combination. So here it is, our 65th anniversary Corvette roadster in the original 1953 colors to celebrate our 50th wedding anniversary. Our Corvette was ordered on the last day for a 2018 model, built the week of 12/25/17 and claimed by us on 2/25/18.
