NOTES

From the President

I hope this finds everyone well. A month and more of quarantine under our belts and I'm sure everybody can't wait to get out of the house and get their cars on the road!

With this in mind I have put together a way we can honor the men and woman in healthcare who serve the community and our health. I am waiting for the I's to be dotted and the T's to be crossed but I received a go-ahead to do a Corvette drive-by at Centra State 537 in Freehold on Tuesday 5/5.

Please remember to wear masks and to socially distance! We will meet a member of the staff outdoors to do the presentation.

We will be awarding the emergency and ICU members gift certificates for Romeo's pizza just up the street from the hospital as a way of saying thanks for their service. We will be doing a fun-run after the presentation. (Please see my email to everyone)

Stay healthy, and I hope to see you soon!
Howard

NOTES

From the Editor

Greetings, and welcome to the May, 2020 edition of Corvette Expressions.

To say that 2020 has been a difficult year thus far, is truly an understatement, and I hope that everyone is staying safe during this horrible pandemic.

It's hard to believe, but last month marked five years since I took over as newsletter editor, and owing to the current situation, this is the shortest issue I have ever done. The May issue is usually when I start listing monthly car shows, cruise nights, and cars and coffee events. Moreover, there are usually fun club events to talk about that took place during the month of April. These are truly different times, but this too shall pass, and hopefully we will be back to normal sooner rather than later.

Please continue to check your email for the status of upcoming club events.

Lisa Force
