# NOTES

*From the President*

We will be at the Elks for our 8:00 pm meeting on Wednesday May 4th. I spoke to Patty there, and she is sending a note out to their board to please park across the street to provide parking for us. Hopefully that will allow us plenty of parking.

Howard

# NOTES

*From the Editor*

Greetings, and welcome to the May, 2022 issue of *Corvette Expressions*.

Now that the seemingly long and frigid winter is officially over, we are finally getting our vettes back out on the road, and also getting back into fun activities. Club members kicked off the month of April by getting together at Harold's Deli in Edison for a delicious lunch. If you have never been to Harold's, their sandwiches, as well as everything else are GINORMOUS! (Yes, that really is a word!) I have no doubt that not a single person left hungry.

Starting this month, I will once again begin listing various car shows and cruise nights in the area. While I consult a few different sources for this information, I don't always catch every local event, so feel free to contact me if you hear about a car show or cruise night in the area.

See you at our May meeting on May 4.
