NOTES

From the President

Welcome May! With all the salt washed off the roads, It's high time to get our Corvettes on the road! This month's meeting will have a special guest, a representative of the Corvette Caravan will give us a brief presentation on next year's festivities and plans going out to Bowling Green for Corvette's 70th Anniversary. There will be a question and answer session as part of the program!

On a happy note following April's meeting, I had a chat with the Elks Exalted Ruler regarding parking. He assured me that going forward he will instruct their members to park in another place so that we have ample parking! So please feel free to bring your Vettes!

Best Regards,
Howard

NOTES

From the Editor

Greetings, and welcome to the May, 2023 issue of *Corvette Expressions*.

Please make sure you check the activities listings on the next page. A few additional events have been added.

April was a rather quiet month for the club. Some members attended the Corvette Takeover event at the Carnegie Center in Princeton on April 22. There are a few more Corvette events coming up in May. Please refer to page 6 of this newsletter.

Wishing everyone a beautiful month of May! Let's get those vettes back out on the road!
