NOTES

From the President

It's been a very busy Corvette Express summer, chock full of great events almost every weekend. There are many more fun activities ahead.

At our last meeting, which was held on September 4th, 2019, an amendment to our by-laws was voted upon to make it more convenient for prospective members to join our club. The change still mandates them to attend two meetings, but now allows them to attend two out of four consecutive meetings rather than two in a row. The results of the vote were almost unanimous with only one no vote and the President's abstention.

Nominations for officers begin at our October meeting and continue through our November meeting. If you would like to serve on our board as an officer, please place your name at our next meeting.

Wishing all the best,
Howard Fink

NOTES

From the Editor

Greetings, and welcome to the October, 2019 issue of Corvette Expressions.

Talk about a gorgeous month and fabulous corvette weather! September has been awesome! I think we took our vette out more during this past month than we did the entire summer! The best part is that the weather was great for all the amazing activities we had!

The fun began on Sunday, September 8. Howard and Joanna F. organized an excursion to the American Legion in Brick Township for their annual Pig Roast. Members had a great time, and the best part is, unlike last year, no one got wet!

The next activity was an evening at Fox Hollow Winery in Holmdel on September 20, hosted by yours truly. It was a beautiful evening, and we even were able to see the International Space Station fly overhead! After the winery, several of us went for a late dinner at Orlando's in Colts Neck.

The very next day Bill N. and Larry F. led a cruise to Kerbeck's Toys for Tots fundraiser in Atlantic City. Thanks to Bill's ingenuity, we had the best parking spaces and were first on line for all the food. Great job, Bill!

The final activity of the month was a sweet one. Dave S. led our members on an ice cream run, visiting six different ice cream stands across New Jersey. It was a fun day, but I don't think anyone will be eating ice cream for awhile!

See you at the next meeting on October 2.
