NOTES

From the President

Our October meeting will be Wednesday the 6th. On the agenda will be the annual elections. All of our current officers have shared their willingness to serve another term. However, if anyone would like to run for a position, please be ready to throw your hat in the ring! Nominations are held at the meetings of October and November.

I would like to thank George and Beverly for all their outstanding efforts in putting together another great club picnic. I would also like to thank Al for helping with the shopping and Bill N for cooking the ribs and chicken. Thanks also to Joe F and Larry and Bill and Al for their work at and around the grill. Big thanks go out for Ron and Joe's work with the clam knives! Also, thanks to everyone, who helped set up and clean up John, Linda, Bev, Joanna. Please forgive me if I missed anyone! Without everyone's help, this great event wouldn't be possible. It sure was great seeing everyone there!

I am sure that Bill Nagle will want to meet after the meeting about our upcoming Vermont trip.

Best regards,
Howard

NOTES

From the Editor

Greetings, and welcome to the October, 2021 issue of Corvette Expressions.

The month of September had two big "eating" events. On September 12, several club members attended Brick Township's annual Pig Roast at the American Legion. A big thanks to our awesome president, Howard F. for going out of his way to help make everyone's day even better. Each year, he brings tables and tents for any club members who attend. There was also a band there and lots of food and drinks.

The following Saturday, September 18, was our annual club picnic. Thank-you once again to George and Beverly T. who always do such a wonderful job organizing this much anticipated event, and to all the members who helped. The food was great, and so was the company!

There are some great activities coming up this month, so be sure to check the activity listing on the next page.
